# **Agency Contact List**

The Agency Contact list contains the persons who are responsible for responding to events and managing the Agency's data. Agencies may have three types of contacts added to their Contact Lists in Manitou: Contact Persons (Individuals on this Agency alone), Global Keyholders (Linked persons), and other Agencies.

The Agency Contact List contains three cards: Contacts, Attentions, and Details.

# **Contacts Card**

The contacts card is where you add the individuals who respond to or manage the agency data.
