Report Parameters

- **Customer ID** - Which customer, or customers, to include in the report. Please note, that the report server searches the database numerically if you are searching for a range.
 - **Dealer ID** - Which dealer, or dealers, to include.
 - **Branch ID** - Which branch, or branches, to include.
 - **Authority ID** - Which authority, or authorities, to include.
-
- **Include Options** - How to return the results.
 - **Errors Only** - Default - Includes results for Error values only.
 - **All Validation Attempts** - Returns the results grouped by the Dealer(s).

- **Include Inactive Customers** - When selected, the report results return including inactive customer records.
 - **Reverify Customers** - When selected, the report server ensures that the accounts are verified with the TMA data.
-
