Adding Accounting to Dealer

1. Load the Dealer. Dealer records may be found by Pressing F10 on the keyboard, shortcut, or hamburger icon (≡) then Maintenance and Dealer.
2. On the Details page, click the pencil icon (✎).
3. Select the Accounting Company.
4. Enter the Accounting ID number that makes the link to the Accounting system.
5. Click Done.
6. Save (D) the Record.
