

Release Notes Manitou 2.1 - Update 48 (February 2026) (Updated March 2026)

Note: We updated package 12 to include a fix for sending SMS messages through the Media Gateway using Clickatell. Updating after Thursday 03/05/2026 will include this fix. If you updated to package 12 before and are using Clickatell, please run the package 12 update again.
